

April 7, 2020

We will be live streaming our interactive Easter Service at 8:45 a.m. on Easter Morning. Please join us then or anytime after at [www.hillsidechurch.com](http://www.hillsidechurch.com) or our Facebook page (Hillside Church, Wrightwood, CA). Because of the new mandate put out today (see below) we are unable to have you come to the church and pick up the baskets but please still planning on joining us. Also, we will be doing communion together so please have elements ready before watching (improvising is fine). Also, Pastor Terry will be doing a live Facebook prayer event at 4 p.m. on Easter Sunday to pray specifically for all that is going on. God bless you all and have a very Happy Easter as we celebrate our Risen Lord!

### **Public Health officer orders face covering, electronic-only religious services**

#### **COVID-19 Response**

In an effort to protect the public from further spread of COVID-19, the County's Acting Health Officer has formally ordered everyone in San Bernardino County to wear a face covering when leaving home.

Face coverings may include coverings that secure to the ears or back of the head and encompass the mouth and nose. Homemade cloth ear loop covers, bandannas and handkerchiefs, and neck gaiters may be used to reduce the spread of COVID-19 particularly among asymptomatic people. Surgical masks and N95 masks must be preserved for healthcare workers and emergency responders.

"Staying home, practicing social distancing and frequent handwashing are far more effective ways to combat the spread of COVID-19, and face coverings are not a substitute for those practices," said Dr. Erin Gustafson, the County's Acting Public Health Officer.

Tuesday's order also says faith-based services must be electronic only through streaming or online technology. People may not leave their homes for driving parades or drive-up services or to pick up non-essential items such as pre-packaged Easter eggs or bags filled with candy and toys at a drive-thru location.

"We understand that this is an important time for Christians around the world and it is natural to want to worship and celebrate with our families. Right now, however, is a critical time for our country and our community – we can still celebrate this time from the safety of our individual homes while we help flatten the curve and save lives," said Board of Supervisors Chairman Curt Hagman. "When we stay home we help our healthcare workers and our emergency responders and vulnerable populations beat COVID-19."

Many churches and houses of worship are hosting "virtual" services, streamed online. The County encourages single-family, home-based worshipping and activities, including Easter egg hunts among household members inside the house or in residential back yards.

As of today, San Bernardino County has 530 confirmed cases of COVID-19 and the deaths of 16 county residents have been associated with the disease.
